Any person not a party to the contract pursuant to which this certificate is delivered may not assert a claim against Bureau Veritas for any liability arising out of errors or omissions which may be contained in said certificate, or for errors of judgement, fault or negligence committed by personnel of the Society or of its Agents in the establishment or issuance of this certificate, and in connection with any activities for which it may provide.

Toute personne qui n'est pas partie au contrat aux termes duquel ce document est délivré ne pourra engager la responsabilité du Bureau Veritas pour les inexactitudes ou omissions qui pourraient y être relevées ainsi que pour les erreurs de jugement, fautes ou négligences commises par le personnel de la Société ou par ses agents dans l'établissement de ce document et dans l'exécution des interventions qu'il comporte.

SCHEDULE OF THE APPROVAL

1- List of equipment and systems

	New installations	Existing installations	Type	Manufacturer
GMDSS installations	[X]	[X]	All Types	All Manufactures

For extension of this Recognition to types and/or manufacturers of Equipment other than those already listed in this Certificate, it may be necessary that the Service Supplier applies for and obtains authorization of the said manufacturers.

2- List of subsidiaries covered by this certificate

--

3- Condition for the validity of the certificate of approval

The certification is valid insofar as the inspection duties are actually assumed by personnel of the Service Supplier who has been assessed by the Society.

The Society reserves the right to invalidate this certificate of approval in case of :

- a wilful act or omission or grossly negligent act or omission in the performance of the services or in the reporting,
- major deviations from the qualified system of the Service Supplier,
- services performed outside the scope of the qualification or by a technician of the Service Supplier who has not been assessed by the Society for the undertaken inspections activities,
- unreported alterations to the system or technical personnel

4- Other conditions

The present certificate does not apply to personnel(s) engaged in technical evaluation, under the supervision of a Bureau Veritas Surveyor, of ship borne radio installations and no approval certificate is issued by the Society.

5- Endorsement where an intermediate audit has been performed
